Guy,

Pete let me know he spoke with you about sending over the complete ROD.

I've attached the draft final ROD + figures + tables (incl. ones that embedded in the word doc) to this email.

Appendix I – Figures (see attached)  
Appendix II – Tables (see attached)  
Appendix III – Administrative Record Index  
Appendix IV – Concurrence Letter  
Appendix V – Responsive Summary ( you have the text of it)

We'll send the final copy once compiled (later this afternoon).

Jennifer,

The Attachments to Appendix V were not included in your most recent submittal.

Please be sure to compile a complete Record of Decision as requested so the entire document can be forwarded for concurrence.

If you have an idea of your schedule for completion today, please give me a preview of the same so I can schedule/advise accordingly.

Thanks.

Guy
